

GrievanceAI User Handbook

Empowering Multilingual Civic Engagement

Welcome to GrievanceAI!

This platform is designed to bridge the gap between citizens and government by allowing you to submit grievances in your preferred language.

Step 1: Submit a Grievance

Navigate to 'Submit New' on your dashboard. Type your grievance in any of our 22+ supported languages, or use the audio recording feature.

Step 2: AI Verification

Our AI engine will instantly translate your grievance into English for official processing, summarize it, and predict the correct government department.

Step 3: Review and Track

You can review the AI-assigned department and track the status of your grievance directly from your dashboard.
